

INTENSIVE PULSED LIGHT (IPL)

Permanent Hair Reduction

Refresh uses a top of the line French technology IPL, the treatment is virtually pain free and very effective. As only hairs in the anagen growth phase are suitable for treatment, it is recommended to have between 6-8 treatments to get the result you desire. This will be fully explained at your consultation.

Treatments are performed by a licenced operator.

An acid and retinol free peel that assists with superficial fine lines and wrinkles, hyper-pigmentation and scarring by strengthening the skin.

Antioxidant Exfoliation Peel \$99

Exfoliates and invigorates the skin with the use of a gentle acid and actives, the perfect pick me up for anytime.

Antioxidant Therapy Peel \$99

Mildly exfoliates while potent antioxidants prevent free radical damage. The skin is left glowing and radiant.

ENVIRON ADVANCED SKIN TREATMENTS

Environ's Cool Peel is a revolutionary non-invasive approach to peeling, helping to refine, revive, smooth and rejuvenate the skin without compromising its natural functions.

Customised to address your unique skin concerns using Environ DF machine which combine Sonophoresis (sound waves) and Iontophoresis (electric current) which creates pathways in the skin to assist delivering nutrients to where they are most needed.

Advanced Cool Peel

80 minutes \$110

This powerful cool peel therapy assists with the management of blemish prone, distressed skin, by purifying, cleansing, and assisting to unclog pores and dissolve impurities. Our hero treatment for problematic skin conditions. Cool and comfortable on the skin

Lactic 1-Perfect for New Clients, Rosacea, Sensitive Skins,

Lactic 2- Advanced Clients, Ageing, Uneven Skin

Lactic Gel- Dry/dehydrated, Anti-aging, Congestion, Dull, Laxity issues.

TCA Peel

80 minutes \$110

Our 2.5% TCA Gel Peel is a non-invasive, intelligent gel peel system that targets the surface layer of the skin. This peel stimulates the natural production of collagen and elastin, leaving your face looking brighter and younger. It's designed to maintain the integrity of the epidermis whilst effectively improving appearance of skin.

TCA Cream- Acne, Congestion, Thickened or uneven texture, Pigmentation

TCA Gel- Advanced clients, Anti-aging, Pigmentation, Heavy lines/loss of laxity.

Vibrant-C Micro Peel

80 minutes \$110

This peel helps create younger looking and firmer feeling skin while signs of uneven skin tone and spots seemly disappear. Not only that but this 20% vitamin C peel exfoliates the skin at a deeper level; preventing clogged pores, helps the epidermis shed and allows new cell growth. This Salicylic Acid also improves skin thickness, barrier functions and collagen production. Perfect Sun damaged, Uneven/dull skin.

FACIALS

Environ Facial

60 minutes \$99

This facial is customised to your skin it is not a pamper facial but designed to achieve an instant result with the use of various types of devices Youth Reset, Moisture Boost, Comfort Calm, Radiance, Vitamin infusion & Focus Filler.

Ultimate Derasound Facial

60 minutes \$99

Derasound Facial is our most popular Facial Treatment. Using an ultrasonic device that utilizes distilled water with low frequency sound waves to achieve tighter, firmer & younger acting skin. This device does not injure or cause trauma to the skin. This treatment will: visibly reduce lines & wrinkles, even skin tone & smooth texture, minimize pore appearance, improve skin hydration & nutrition. I recommend the Derasound Facial for reducing acne, rosacea, pigmentation & psoriasis.

Refresh Renew & Relax

60 minutes \$89

A customised facial as no skin is the same. Perfect for some down time and skin TLC. Includes deep clean, hydrating clay masque, serum, moisturiser & SPF application. A relaxing hot stone shoulder, neck & décolletage massage finishing a hot towel.

Deep Clean for Teens

45 minutes \$69

This treatment is designed to treat teenage skin concerns. Treatment will vary to meet each clients needs, all treatments consist of a deep clean of the pores, whilst hydrating, nourishing and supporting the skin. Extractions if required and a discussion on hygiene and care of the skin, as well as an ongoing treatment plan solution.

Express Facial

45 minutes \$69

Perfect for the time conscious individual or someone wanting to target a specific skin need or concern.

ADD ON PEELS AND FACIAL

Dermalux LED Light Therapy

20 minutes \$39

Used to heal & strengthen skin & promote collagen production.

Neck & Dec or Body Treatment

20 minutes \$39

The Environ Focus On Body Profile Treatment is a unique, intensive, 20-minute body treatment to help smooth, shape and firm the appearance of dimpled, lax and unevenly textured skin. Environ's DF Technology helps to safely stimulate the skin to deliver up to 100% more powerful ingredients to where you need them most.

Add-On Foot Exfoliant Wrap

\$15

The perfect add on to any Environ treatment to exfoliate, smooth and revive the appearance of dry, rough skin on the feet. The intelligent combination of AHA'S and essential vitamins A, C and E will help to deeply nourish and reveal healthier and beautiful looking skin.

Hand & Arm Vitamin Wrap

\$15

The perfect add on to any Environ treatment to effectively soften, smooth and revive the appearance of dry, sun damaged skin on the hands and arms. The intelligent combination of AHA'S and essential vitamins A, C and E will help to deeply nourish and reveal healthier, more even toned and beautiful looking skin.
